

SUBSTANCE USE POLICY FOR ST. BRIGID'S GIRLS' NATIONAL SCHOOL.

Name : St. Brigid's Girls National School
Address : The Park, Cabinteely, Dublin 18
Phone No: 01 – 284 74 22

Title of Policy :
Substance Use Policy

Scope :

This policy applies to students, teachers, parents and users of the school building. It applies during school time (including break times) and to all school related activities.

Introductory Statement & Rationale

Following in-service in SPHE in 2002 and in-service in developing a Substance Use Policy it was decided to draw up this Substance Use Policy

This policy was developed in consultation with four teachers representatives, two representatives of the Board of Management and two parents representatives. This policy is being formulated to support the need for a policy in relation to substance use, in line with the overall ethos of the school.

This policy should be read with the Code of Behaviour / Discipline policy of the school.

School Vision

The school sees itself as having a role in the promotion of the well-being of its students. This is done by :

1. Providing a safe and healthy environment
 2. Promoting positive health behaviours
 3. Increasing knowledge about health
 4. Promoting the self-esteem and self-awareness of students
 5. Working in partnership with the parents and pupils.

Definition of a Drug

A drug can be defined as a chemical, which causes changes in the way the human body functions, mentally, physically or emotionally. For the purpose of this policy we are concerned with drugs which have the power to change a previous mood and the way a person thinks about things and drugs or which the taker may become physically or more often psychologically dependent.

Current Provision

Provision is currently made in the school for alcohol, tobacco and drug education through S.P.H.E.

Specific Programmes include Walk Tall, Alive-O, Stay Safe.

A drugs awareness programme is also used in Senior Classes

Aims

The child should be enabled to

- a) be self-confident and have a positive sense of self-esteem
 - b) develop a sense of personal responsibility
 - c) develop an understanding of healthy living, an ability to implement healthy behaviour and a willingness to participate in activities that promote and sustain health.
 - d) Develop sense of safety and an ability to protect himself/herself from danger and abuse
 - e) make decisions, solve problems and take appropriate actions in various personal, social and health contexts
 - f) become aware of, and discerning about the various influences or choices and decisions
-

Implementation and Content of the Policy

The policy will be available from the principal to the Board of Management, Teachers and other staff members.

Parents and guardians will be given a copy of the policy on enrolment of their child in the school. Enrolment will be on acceptance of this and other school policy documents by them.

The school wishes to make clear that the primary role of substance misuse prevention rests with the parents.

Content of the Policy :

Education concerning substance use Prevention

Education :

It is accepted amongst educationalists that education about alcohol, tobacco and drugs is best carried out by teachers through the inclusion of SPHE in the curriculum. This SPHE Programme would also draw on the expertise available from the community i.e. parents, Gardaí and Health Board.

Smoking

School Policy

- The school including all its grounds is a “no smoking area”
- Students are not permitted to smoke or possess cigarettes on the school premises or in any other place.
- Visitors will comply with the no smoking policy
- Pupils found smoking on school premises will be reported to the Principal and parents will be informed.

Alcohol

School Policy

- Pupils will not be allowed to bring alcohol into the school or to consume alcohol in school or during any school activities.
- If a teacher is of the opinion that a student is under the influence of alcohol s/he will immediately inform the Principal and consult on what action should be taken
- Where a student comes to school under the influence of alcohol their parents will be called in to take them home.
- Students breaking these rules will be dealt with according to the school's disciplinary procedure.
- If alcohol is required for an adult only school function, its use must be approved by the Board of Management.

Illicit Drugs and Solvents

School Policy :

- Students are forbidden from being in possession of or using illicit drugs or solvents in the school premises
- Illicit drugs found on school premises should be locked away and the Gardaí contacted to dispose of them. Teachers are advised not to transport illicit substances at any time.
- If a teacher is of the opinion that a student is under the influence of illicit drugs or solvents s/he will immediately inform the Principal and consult on what action should be taken.
- Where the school suspects trafficking of illicit drugs, an investigation will be carried out. Parents of any student involved will be informed. The advice and assistance of the Garda Juvenile Liaison Officer will be sought.
- The school Board of Management will expect parents to inform the Principal or teacher if they suspect their child of drug taking.
